I am in a college, the school called occupation in a film shool in hengdian.

At first, I get along with my teachers. In afirst day, I meet her first time. She is very perry and tall. But, I feel very terrible. Becase, I think she is strict. At night she talk with usabout from this dorm from that dorm with alast change. In two weeks late, she is talk to a classmate about have day off. So I feel terrible more than. In two months,I have a headache in a maths lesson. But, I seem have a wrong done.I don,t have day off to her.I stay up a night, the second day I go to the teacher, s office. I think she do not trust me.

I still feel she is a terrible, in a final exam I meet her in a class building. I go fast because I feel she is very terrible. However, I still very sad a day.

But, I very like her very much now.
